      <h1> GWU Community HUB FAQs</h1>
      <hr>
      <div class="container">
        <div class="label">How to Utilize the Platform</div>
        <div class="content">There is a “things to do” section at the top of the website: Create a
plan, Share Experience, Ask a question, Post a Blog/Vlog, Search for Textbooks, Sell an item,
Job Openings, Local Deals, and apartment leases. In order to do any of these nine options, you
would have to create an account. Know in real-time about developments in your areas of
interest. Share, comment and be part of a GWU community conversation that extends beyond
people you are friends with.
        </div>
      </div>
      <hr>
      <div class="container">
        <div class="label">How to create a plan?</div>
        <div class="content">Go to the Create a Plan Tab and put the details of the plan and you
can list a number of your peers you want at this event and an email will be sent out. Making an
effective action plan starts with defining and documenting the end goal. In this case you can
write down the different events that you want to attend throughout the DMV, write down the
details of this event and once it is finalized, there will be an email that will be sent out to
members of the community hub.
        </div>

      <div class="container">
        <div class="label">How to post a blog/vlog?</div>
        <div class="content">Go to the post tab, type within the textbox, insert a photo, once you
are all done, you can press the submit button. When it comes to creating a blog overall it is
important that you identify what's missing from the existing discourse. Add images and other
media elements to support your ideas. When you publish and promote your blog post, it crucial
```

that you look at other individual posts, to get an idea of what is currently on the GWU Community Hub.

</div>

</div>

<hr>

<div class="container">

<div class="label">How to search for a job?</div>

<div class="content">The best way to search for a job is to start utilizing Career Services, Handshake, LinkedIn. This community hub will also allow you to build your network, by reaching out to seniors within your program. Use the Community Hub Jobs tab to follow companies you are interested in and to get ideas about openings and opportunities. Put your personal network to work to help you identify client or employee leads. Your friends and family can be helpful if they know what you are looking for.

</div>

</div>

<hr>

<div class="container">

<div class="label">How to search for apartments?</div>

<div class="content">GW's Off-Campus Housing website is an excellent first step to finding housing options. You can find listings for both undergraduate and graduate students, and there are message boards and other resources to assist your search. It's best to start searching 60 days before you need to move, especially if you are looking for a rental property where there isn't as much available.

</div>

</div>

<hr>

<div class="container">

<div class="label">How do you share your experience?</div>

<div class="content"> Make decisions about safely sharing your experience with others. Practice writing and speaking about your experience. Listen and respond appropriately to the experiences and needs of others. Construct purposeful stories to achieve specific goals. This is similar to posting your blog/vlog tab, but this will be an opportunity for you to talk in depth about one the activities you have done through the GW Community Hub. Go to the Experience tab. Write in the Textbox and submit.</div>

</div>

<hr>

<div class="container">

<div class="label">How to connect with your seniors?</div>

<div class="content"> Start with your school. GWU actually has a group of alumni who you can go to for career advice, talk about a career, and help you network. This community hub is here to help you make it memorable with awesome events, helpful resources and opportunities to connect with your class and alumni family. </div>

<hr>

```
<div class="label"> How to search for a textbook?</div>
```

```
<div class="content"> In a bid to help you save on textbooks, we have combed through the internet to identify the best sources of free textbooks. While not all textbooks can be found online, most are available for free and without copyright infringement. Go to the Textbook category, type in the ISBN number and press the lookup tab. Along with this search, you can also use the textbook tab to see other members of the GWU Community Hub are selling their old textbooks or any other suggestions on what other sites to look at for textbooks. </div>
```

```
<hr>

<h2>Things to do </h2>
```

```
<p>The George Washington University offers many activites to actively engage people on  
campus and people with different communities through engaging activities.The George  
Washington University, School Of Business, is a community of dedicated to engage students by  
establishing noteworthy traditions, facilitating opportunity for interaction, and contributing to a  
memorable experience. . We encourage students to recognise university resources pertinent to  
their goals, better relationships within the GW community, and acknowledging the academic  
elements involved within co-curricular programs through these events.</p>
